Dear First Graders and Parents,

My name is Mrs. Clark, and I will be your teacher this year. I live in Orem with my husband and our three children. This will be my 20th year of teaching! Each new school year is always so fun because I get to meet a whole new group of children to teach and love. I'm so excited to meet you! First Grade is such an exciting time for learning new things. I know this is going to be a great year!

I've listed some of the classroom supplies that we will use throughout the year. **I have markers, pencils, colored pencils, and crayons for the students, so they will not need to supply those items.** Please note that some of the supplies your child brings will be items to share with the class, and others should be marked and kept in his/her individual desk. We would also appreciate it if families could donate \$20 for field trips and other learning activities that will enrich your child's learning experience. Thank you for being willing to donate to our classroom. I look forward to working with you and your child throughout the coming school year!

Sincerely,
Mrs. Clark
