

Second Grade News

Dear Parents,

It is hard to believe October is already here and we are heading into Fall! We have such a great group of kids this year, they are all such hard workers and are trying their best! Thank you so much for all your support this year.

Homework is given out each Monday and is to be returned each Monday. The goal is to read 20 minutes a night for 5 days a week. You can have fun reading to your child or they can read to you. This can be a great opportunity for you and your child to spend quality time together. Along with reading there are the weekly spelling words to memorize. I realize that most of these words are easy but a good review is always best.
