

Welcome to Second Grade

August/September 2019 Newsletter

Dear Parents,

I really look forward to being your child's teacher this year! It is going to be a great year. Following you will find some helpful information.....

.We have a fun reading program to look forward to all during the year. As the students read and pass off books in our "Book It Around The Room" club, we celebrate our progress every fourth of the way around the room with Grandparents Day, Dad and Donuts, Mom and Muffins and finally a class party!

.We love to acknowledge birthdays as well, watch for a note home later with an explanation.

.Also, please check our school website at lakeview.provo.edu under "Class Websites" for my monthly newsletters and class information.

.As far as class supplies, it would be great if your child could bring a pencil box and some tissue.. We go through many tissues during the year. Also, as a second grade, we have planned some fun activities and field trips for the school year. These activities as well as the bus are not funded by our school so we need to ask for your help in donating \$20:00 to our Second Grade fund. You can pay at the office. This would be greatly appreciated and we thank you in advance.

.Homework: Homework will be assigned every Monday and will be due back at school by the next Monday. There is a homework folder to watch for: The folder has the words "Lakeview Elementary Homework" on the cover. Homework will consist of 20 minutes of reading for at least 5 days a week. There will be a calendar for parents to sign after reading. Also, spelling words and sometimes a math assignment will be part of the homework packet. Homework is worth 10 points each week. There will also be a certificate for a free pizza at Pizza Hut when reading homework is turned in.

.Our class looks forward to a busy, productive and happy school year. If you have concerns or questions please feel free to contact me at Lakeview 801 374 4990 or email my at

beckya@provo.edu.

Let's make it a great year! Mrs.

Becky Anderson
