

Dear Parents and Students,

Welcome back to school! It is going to be a great year. There are many exciting lessons and activities planned. Attached is an overview of subjects covered which will, I hope be helpful to you.

I hope to take several field trips during the year. However, in order to take any field trips we are asking that a donation of \$20.00 be made to cover expenses for these special experiences. We receive no money from the state or the school for our field trip budget. You may send this on the first day or at your earliest convenience. Please sign and return the field trip permission note also.

School hours are from 8:20 a.m. to 3:00 p.m. Monday-Thursday. Friday's school hours are from 8:20 a.m. to 1:10 p.m. Please see that your child has plenty of time to get to school on time. Tardiness is hard on the child as well as on the rest of the class. When your child is absent, please send a written note explaining the reason, as I keep a record of all absences. Please keep your child home if she/he has a contagious illness and report immediately any communicable disease to the office.

It is important for children to get fresh air and plenty of exercise, as well as a break from the classroom. Therefore, it is fourth grade policy that children are outside at recess time unless you send a note requesting otherwise (such as an illness that is not too serious to require the child to stay at home).

If you desire to send a treat for your child's birthday, that would be fine, but not required. The best time to bring it is 2:55 p.m. (or 1:05 p.m. on Friday). If your child's birthday falls in the summer, we will celebrate it on the six-month anniversary of that day.

I am looking forward to working with you I hope you feel free to take an active part in the learning that goes on in our classroom. Your suggestions are welcome any time. I can be reached at Lakeview School at 374-4990 most afternoons until 4:00 p.m.

Sincerely,

Miss Baer

Lakeview Elementary
