- School Improvement Plan (located in binder) Goals
 - Leadership team created the school improvement plan
 - TSSA \$-support academics and behavior, paying instructional coach-Michelle Burningham and behavior specialist-Melinda Hafen to help with increased student behavior issues. (impact of covid years, full-day kindergarten, more new and different behaviors that are being seen, implementation of behavior plans, support for new teachers, increased lunch times and recess times to help break up times, kinder has quiet time)
 - Trustlands \$-last year paid for kindergarten aides, interventions aides, library books, curriculum software, increased lunch times and recess times to help break up times-more aides
- TSI (Targeted Support and Improvement) we are in our 2nd year for students with disability (IEP) this year to improve numbers or will move to CSI. Will have data by Nov 29 meeting. 66 students with IEP 9.4% (prevalence number is 12%). Close to ½ are speech IEPs, about 40 with cognitive or specific learning disabilities. 157 ML students 22%-only includes kids that are classified as English learners.
- We will know soon if we will be removed from TSI or if we will become CSI (comprehensive support and improvement)
 - monitor student progress more
 - prepare with appropriate IEP accommodations
 - help with testing supports
 - data dives in each grade level

- David - What is the purpose of this group? What do we want to achieve?
- Jamie – Vision: Support the whole child—academics, behavior, social-emotional—with MTSS multi-tiered system of supports for all students
- What supports are wanted/needed from the school? Council will make a plan to go forward with that.
- David motion to end meeting at 9:34
